Re: Permit for a Drain Connection to a Town Catchbasin
25 Pope Road

Dear Mr. & Mrs. Kelly

We are in receipt of the sketch plan and permit application for the construction in the public way. The plan details a pipe connecting to a catchbasin within the Town of Acton's Public Way for Pope Road. The Town of Acton hereby permits this connection subject to the following conditions.

1. The contractor doing the work shall apply for a permit to construct in a public way and post the appropriate bond. The Town, under the permit, will inspect the construction in the Public Way. The Town will not inspect the work on your property.
2. By allowing this work the Town of Acton is approving the work in the Town's Public Way only. The Town of Acton makes no statement nor offers an opinion as to the engineering correctness of the design plan submitted.
3. By accepting this permit to connect this pipe you, the owners of the property, agree to hold the Town of Acton harmless for any damage to your property that may be caused by the failure of this pipe to operate for any reason, including the failure of the Town of Acton to maintain its drainage system.

4. The conditions of this permit run with the property, 25 Pope Road, and are binding on future owners of the property.

The above conditions are accepted and approved by:

David P. Kelly

Special Conditions
Relating to
Permit to Construct Within a Public Way # 08 - 67
Location: 25 Poplar Rd

Construction Methods:

All construction shall meet the standards set forth in the **Town of Acton Specifications For Regulating Construction Within Public Ways** dated January 8, 1991.

Any sidewalk reconstruction shall be in accordance with the Architectural Access Board requirements set forth in **521 CMR**.

Inspection Schedule:

The contractor is responsible to contact the Acton Engineering Department 24 hours in advance of the start of any excavation and/or necessary inspections. (978) 264-9628

Survey Plans¹: Bayberry Rd about 1/2 mile → concrete bound at lot corner
Plan 632 of 1954 → at intersection of Poplar & Bayberry Rd
→ Bound possible remnants of CBH (Iron Rd)
(Set witness stakes)

¹ If any survey markers (i.e. stone bounds, iron pipes, drill holes in stone walls, etc...) are damaged or destroyed during construction, the Permittee will be required to hire a registered land surveyor to reset the monuments and certify the new locations.

Road Pavement²: Bayberry - 1998
Poplar Rd - 2002 / 2007 (to Great Rd)
(to Shropshire)

² The cutting of road surfaces less than 3 years old will not be permitted, unless final patching is done with infrared patching equipment.

No work is allowed to take place within the road pavement between November 15th & March 15th (Special Winter Regulations apply during these months).

Traffic:

Police Details as required by the Acton Police Department (978) 264-9638

No work is allowed to take place within the road during the AM & PM peak travel times, unless approved in advance by the Acton Engineering and Police Departments.

Public Shade Trees:

Any work within the dripline of a public shade tree (MGL Ch 87) will be subject to approval by the Acton Tree Warden - (978) 264-9629
